Re: Determination Regarding sole Source for Ap Lazer
Reference Number: 2022-001

DETERMINATION

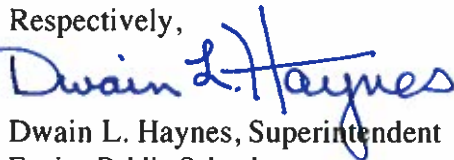

Pursuant to New Mexico Procurement Statute 31-1-126 NMSA 1978 Sole Source Procurement

A contract may be awarded without competitive sealed bids or competitive sealed proposals regardless of estimated cost when the state purchasing agent or central purchasing office makes a determination, after conducting a good-faith review of available sources and consulting the using agency, that there is only one source for the required service construction or item of tangible personal property.

EPS Vocational Teacher, Jesse Pilcher, researched and compared various available equipment in the course of identifying appropriate equipment that meets the safety, instructional, functionality and capability requirements for the district. The SN2816 is the only equipment that fulfills EPS requirements. AP Lazer is the exclusive distributor for the equipment.

A Determination is hereby made that AP Lazer procurement qualifies as a Sole Source procurement for FY 2023.

Respectively,

Dwain L. Haynes, Superintendent
